

Parent Loyalty Scheme

We value and reward your support in spreading the word about Vivace Music School.

If a new pupil (“new child”) joins a Vivace Music School class as the result of your (“you, “the recommending friend”) recommendation, your child (“recommending child”) will be given a 15% deduction off the following term’s fees.

The following terms and conditions apply:

1. The new child joining must declare who has made the recommendation at the time of initially contacting the office. Recommendation rewards in retrospect are not accepted.
2. Only one recommending friend is accepted for each new child.
3. The new child must sign up and pay for at least half a term’s classes before the loyalty discount can be applied to the recommending child’s account.
4. The recommending child receives a 15% discount from the following term’s fees provided he or she continues to attend as a paying student.
5. This reward cannot be redeemed in return for cash.
6. Self-recommending for siblings is not permitted.
